# Tips

- Utilize Tutorials and Tech Support:  
<http://www.techsmith.com/jing.html>

## Step-by-step Tutorials

Whether you're just getting started or want to learn more, we've got free tutorials for you.

[Jing Tutorials >](#)

## Free Tech Support

If you need a little extra help along the way, don't worry. We have tech support available for you.

[Tech Support >](#)

- Do a test capture first
- Write a script, practice, then record. Make the script available to learners
