Amazing videos and presentations created with PowToon!

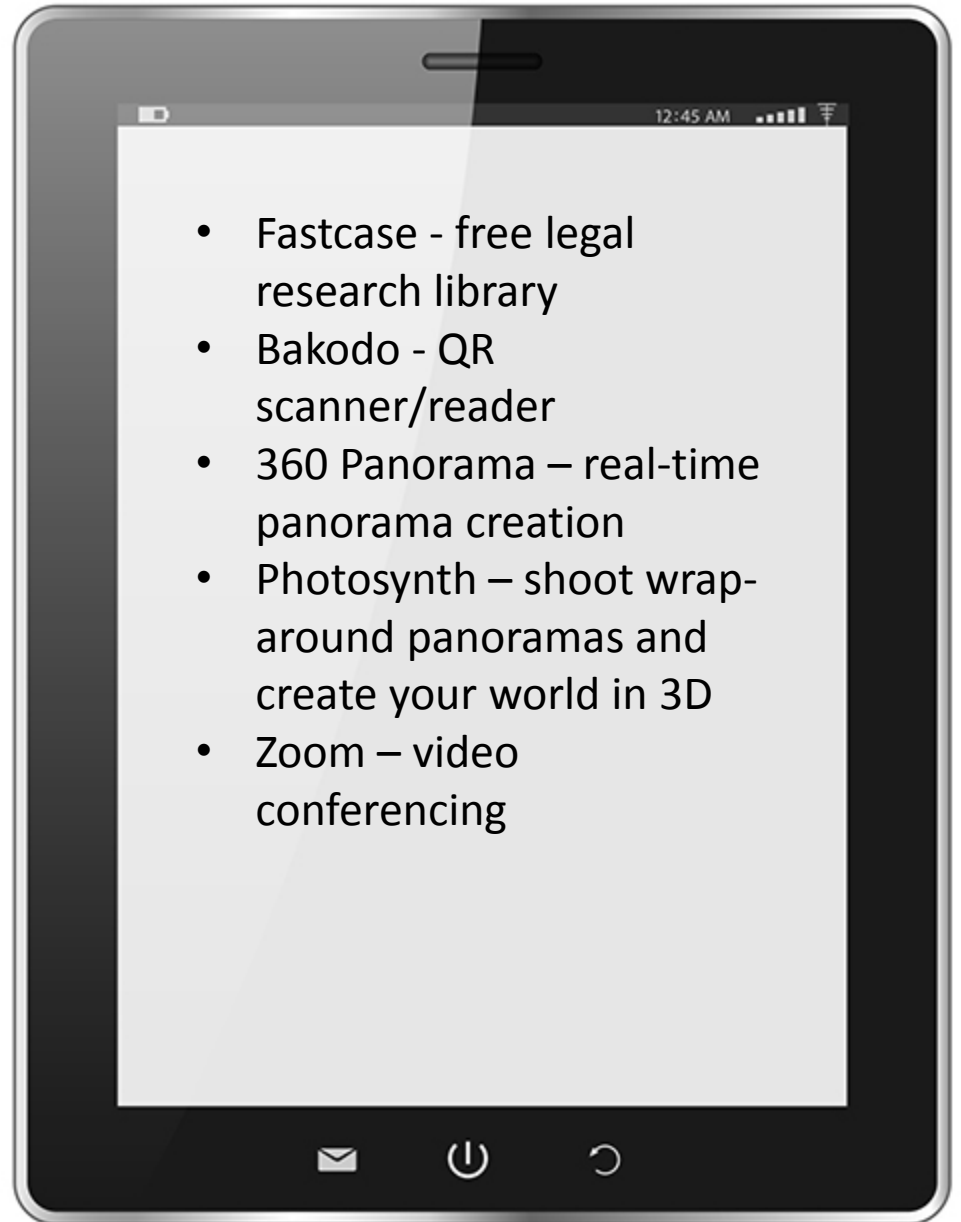

The following apps were suggested by SIDLIT attendees.

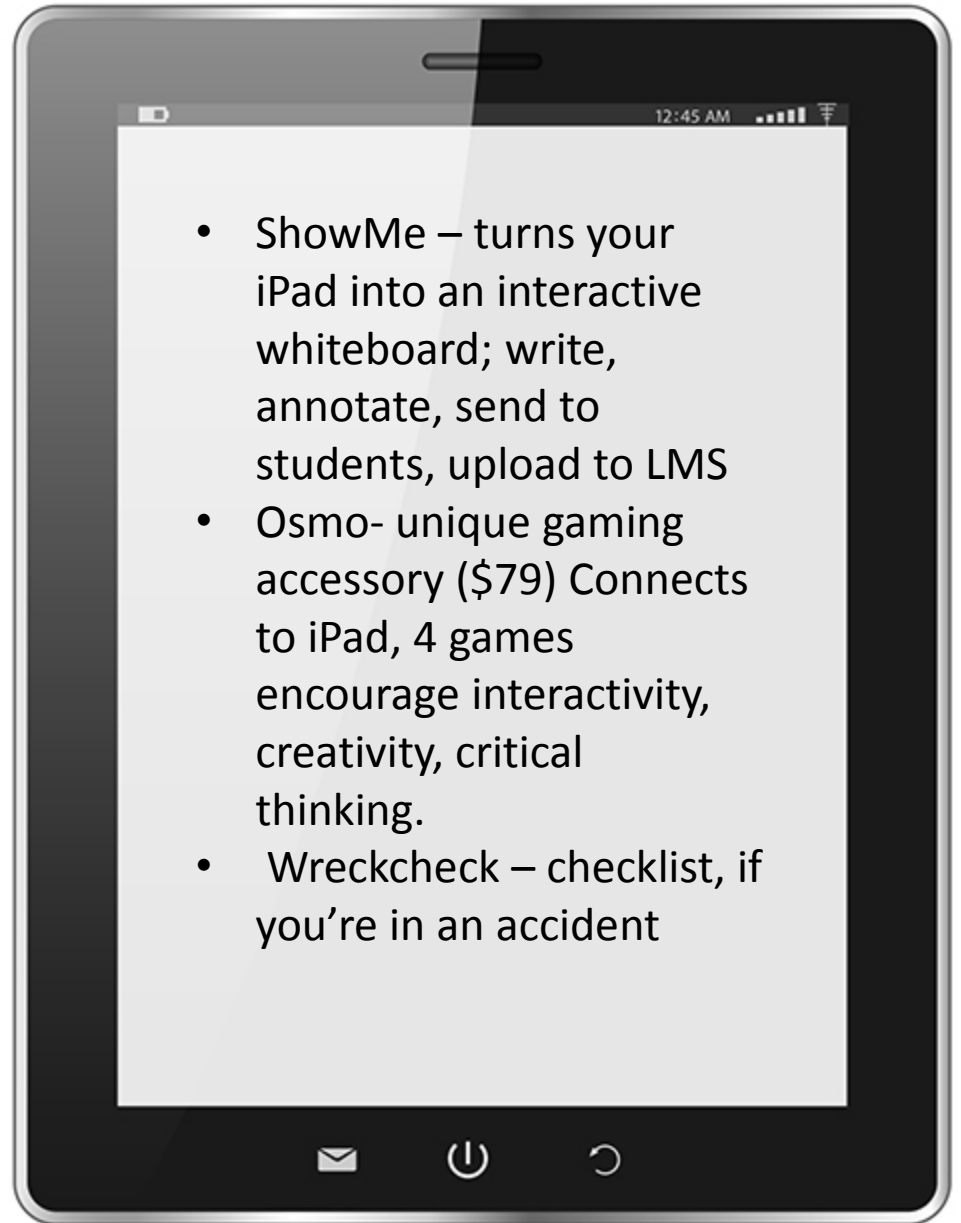

- Tascam - recorder for podcasts
- TechSmith Fuse – transfers media from mobile device to desktop (Camtasia)
- MisFit- inexpensive activity trackers, syncs with MyFitnessPal
- Notability – take notes and annotate PDFs

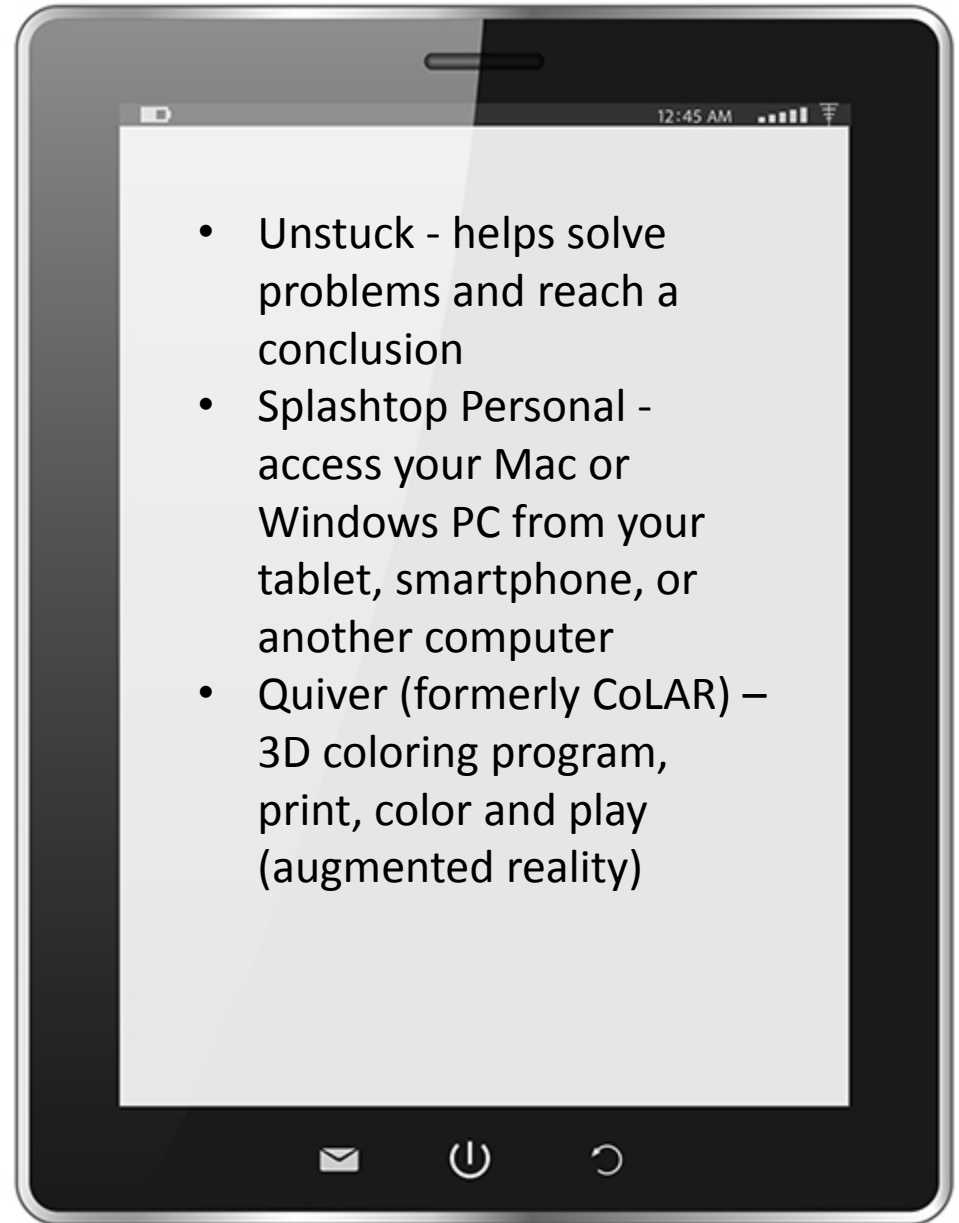

- Msecure - encrypted password vault
- Evernote – write, collect, share, & present; has encryption now
- Line - free text or voice internationally with Wi-Fi access
- Viber - free calls and text stateside or international
- Whatsup – messaging without SMS charge
- IMO – free calls and chats

- Google Authenticator – generates 2-step verification, extra security, requires code generated by Authenticator plus your account password.
- Pushbullet – connects all your devices, send text messages, links & files, see phone notifications, chat with friends and family
